1m White USB to Micro USB and Mini USB Combo Cable

StarTech ID: USBHAUBMB1MW

The USBHAUBMB1MW USB-A to Micro-B and Mini-B USB Combo Cable (1m, white) provides a cost-effective and convenient solution for connecting mobile devices (e.g. BlackBerry® and Android-based cellular phones, and other portable devices such as phones, GPS and digital cameras) that use a Micro or Mini USB connector to a USB-capable computer, for everyday tasks such as charging, data synchronization and file transfers.

This 2-in-1 Multifunction USB to Mini/Micro USB cable (USB Combo Cable) is the perfect solution for connecting your Mini USB or Micro USB device while avoiding the hassle of swapping in and out between 2 separate cables.

The USB combo cable is backed by StarTech.com's Lifetime Warranty to ensure dependable, long-lasting connections between Mini/Micro USB and standard USB devices.

Applications

- Connect a Mini USB B or Micro USB B device to a standard USB port on your computer
- Suitable for mobile devices - charge your battery, download picture files from your digital camera, transfer data, etc.
